1.0 PURPOSE

1.1. To unify the care of central line.

1.2. To prevent bacterial colonization and reduce the number of skin microorganisms and minimize risk of infections.

1.3. To minimize the risk of catheter associated infection by providing a uniform technique for dressing changes.

2.0 DEFINITION/ABBREVIATION

2.1. **Central line dressing** is a nursing care provided by the nurse at the site of central venous line to prevent the patient from catheter associated infections due to colonization of bacteria.

3.0 RESPONSIBILITY

3.1 **PICU Physicians** (Residents, Specialist, Consultant)

3.2 **PICU Nurse** (Head nurse, Charge nurse, Staff nurse)

4.0 POLICY

4.1. Only Registered Nurse and Physician can perform central line dressing change.

4.2. Central line dressing should be performed under strict aseptic technique.

4.3. Central line dressing should be changed every 48 hours.

5.0 PROCEDURE (S)

5.1. ***Preparatory phase***

5.1.1. Identify the patient using the four names and medical record number.

5.1.2. Explain the procedure to the patient. Decreases anxiety and promotes cooperation.

5.1.3. Assemble the equipment on a sterile field. Preparation for sterile procedure.

5.1.4. Wash hands thoroughly.

5.1.5. Don clean gloves and remove old dressing.

5.1.6. Assess the site for any redness, infiltration or inflammation

5.1.7. Wash hands thoroughly

5.1.8. Put on sterile gloves, mask and cap.

5.2. ***Performance phase***

مستشفى المخواة العام
Al-Mikhwah General Hospital

5.2.1. Clean the IV site with alcohol swab starting at the exit site and spiralling outward until a circle. Allow it to dry.

5.2.2. Clean the site using povidone iodine solution using same technique.

5.2.3. Apply antiseptic ointment if indicated.

5.2.4. Apply transparent dressing

5.3. ***Follow up phase:***

5.3.1. Label the dressing with the following:

5.3.1.1. Date, time of insertion

5.3.1.2. Time of dressing change

5.3.1.3. Name of the nurse

5.3.1.4. Dispose the waste according to infection control policy.

5.3.1.5. Wash hands thoroughly.

6.0 EQUIPMENTS

6.1. N/A

7.0 ATTACHMENT/FORMS

7.1. PICU Physicians internal transfer / discharge form(GDOH-INP-INITD-125)

7.2. PICU Nurses Internal transfer / Discharge Form (GDOH-INP-IPTD-151)
