1.0 PURPOSE

1.1. To provide procedural guidelines on how to transfer patient from ICU to the ward.

1.2. To maintain the continuity of care during transfer from ICU to the ward.

1.3. To help the ward staff in organizing the unit according to priority.

2.0 DEFINITION/ABBREVIATION

2.1. **Transfer of patient from ICU to ward** refers to transport of patient to the ward when critical care management is no longer indicated to patient condition.

2.2. **ICU** – Intensive Care Unit

2.3. **NOD** – Nurse on Duty

3.0 RESPONSIBILITY

3.1 **Physician** must provide a written order for the patient to transfer to the ward with clear and complete plan of care.

3.2 **ICU Nurse** is responsible to transfer the patient from ICU to ward, informs the ward nurse about the condition of the patient, the equipment and/or machines needed by the patient in the ward.

3.3 **Ward Nurse** prepares the necessary equipment and/or machines needed by the patient prior to receiving the patient in the unit.

4.0 POLICY

4.1. There should be a written order from the doctor before patient's transfer.

4.2. A clear plan of care should be written by the doctor and transcribed by the nurse prior to transfer of patient to the ward.

4.3. Inform the patient and relatives about the transfer thru designated office.

4.4. Inform ward nurse on duty for availability of the bed.

4.5. Ward NOD organizes and prepares the equipment according to patient's need.

4.6. The patient should be transferred out to another area accompanied by an ICU nurse.

4.7. Patient conforms to discharge criteria and with written discharge order will be shifted to the ward with or without relative under the responsibility of the staff of the receiving unit.

5.0 PROCEDURE (S)

5.1. Check for written order from the physician.

5.2. Inform the ward NOD:

Al-Mikhwah General Hospital

5.2.1. Patient's data

5.2.2. Patient's diagnosis

5.2.3. Patient's present condition

5.2.4. Equipment needed

5.3. Take the possible room number.

5.4. Inform patient's relative that patient will be shifted to the ward thru Patient-Relation Officer (Morning Shift) and Mudir-Munab (Afternoon and Night Shift).

5.5. Check patient's file, review documentation and fill-up Transfer Form.

5.6. Verify with the ward charge nurse about the time of transfer.

5.7. Give due medicines till the patient leaves the unit.

5.8. Transport patient to the specified ward.

5.9. Give complete and accurate endorsement to the ward nurse.

5.9.1. Patient's data

5.9.2. Patient's attending physician

5.9.3. History of illness; if referral from other hospital, state the name of the hospital

5.9.4. Medications, treatments, IV fluids

5.9.5. Latest vital signs

5.9.6. Special procedures done as CT scan, ultrasound and others

5.9.7. Whether intubation and mechanical ventilation was done

5.9.8. With or without oxygen inhalations

5.9.9. Present diet

5.9.10. Post-operative patients

5.9.10.1. Operation undergone, date and time

5.9.10.2. Operative site

5.9.10.3. Wound dressing

5.9.11. Activity in the ward
